MEDICARE ADVANTAGE (HMO)

## New Capital Health Plan Medicare Plan

Starting January 2020, Medicare eligible retirees can choose a new Medicare plan with Capital Health Plan (CHP)! Capital Health Plan State of Florida Retiree Advantage Select (HMO) allows Medicare eligible State members to continue their employer-sponsored coverage with a lower cost plan that includes affordable copays, comprehensive benefits, and all the advantages of being a CHP member.

## About Capital Health Plan

Becoming a Medicare member of CHP helps protect you against the high cost of health care. We offer quality, evidence-based care through our network of physicians, hospitals, and other service providers including CHP's three exclusive health centers located throughout Tallahassee.

## Capital Health Plan Metropolitan Health Center

Opening in the Fall of 2019, our third health center is designed with our growing senior population in mind and will continue to support the health care needs of our community long into the future. CHP is excited to further build upon our existing facilities to support our mission of providing quality, evidence-based care with nationally recognized customer service for our members. Visit [capitalhealth.com](http://capitalhealth.com) for additional updates.

## Service Area and Eligibility

CHP proudly serves Calhoun, Franklin, Gadsden, Jefferson, Leon, Liberty, and Wakulla counties in Florida. To be eligible for our plans, you must be enrolled in Medicare Part A, be entitled to Medicare Part B, and live in our service area.
